Janesville Tennis Association, INC.

Tennis is for everyone and every age, so grab your racquet and come on down to the Palmer Park tennis courts.

Our tennis club has a large membership of all ages who enjoy the use of the lighted courts and Palmer Park. The club is committed to keeping the courts in top notch condition, and your membership helps with projects that increase your pleasure in the game.

In addition to summer leagues, your membership entitles you to social events, such as the end-of-season play and party, permanent court time reservations, and help finding people to play tennis.

Quickstart Tennis (for more info, visit www.quickstarttennis.com) is a new program for young players that is similar to club softball, soccer, etc. New information will be distributed through elementary schools.

Janesville Tennis Association Membership form: $5 for Juniors under 12, $10 for adults, $15 for families.
